Every person in the Buccleuch team has made a genuine commitment to achieve just this.

Your comfort and pleasure are our top priorities so please help us make this happen. Talk to us and let us know your requirements. Wherever we can and wherever possible we will do our very best to make your visit enjoyable.

SMALLER PORTIONS

We tend to lean towards bigger portions out here in the country. Dishes marked ① are possible to reduce in size.

Please talk to us.

Let us know if you enjoyed your experience as we love to pass on good news, but please also let us know of any disappointments or suggestions. We need these so that we can work towards our commitment to making every visit an enjoyable and memorable occasion.
