You can do this by talking to us and letting us know your requirements. Wherever we can, and wherever possible, we will do our very best to make your visit enjoyable.

WINE & FOOD PAIRING *(Please check with your waiter for more information on our wines.)*

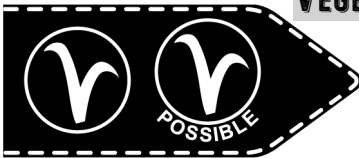

Along with our wine expert we had the arduous task (tongue in cheek) of matching up a good number of dishes with wines that complement each other perfectly. The number on the symbol represents the bin number of the specific wine on our list.

GLUTEN FREE OPTIONS *(Please advise your waiter so that we can liaise with the Chef accordingly.)*

We are pleased to be able to create dishes for Coeliacs. This symbol  next to the dish means that it is already suitable. This symbol  indicates that it can be adjusted for Coeliacs.

VEGETARIAN OPTIONS *(Please advise your waiter so that we can liaise with the Chef accordingly.)*

We present with pride and pleasure our vegetarian options. This symbol  alongside the dish indicates that it is fully vegetarian. This symbol  indicates that it can be adjusted for vegetarians.

VEGAN OPTIONS *(Please advise your waiter so that we can liaise with the Chef accordingly.)*

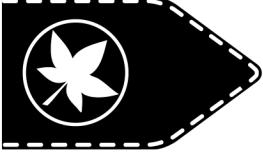

We are pleased to present to you our vegan options. This symbol  alongside the dish indicates that it is fully vegan. This symbol  indicates that it can be adjusted for vegans.

SMALLER PORTIONS

We tend to lean towards bigger portions out here in the country. Some of our dishes (unfortunately not all) are able to be scaled down into slightly smaller portions. Dishes marked  are possible to reduce in size.

ALLERGIES & FOOD INTOLERANCES

We have identified the 14 common allergens on our menu. Please ask for a copy of it. We can help you with any other allergens or intolerances so please speak to us.

Please talk to us ... let us know if you enjoyed your experience as we love to pass on good news, but please also let us know of any disappointments or suggestions. We need these so that we can work towards our commitment to making every visit an enjoyable and memorable occasion.

So ... enjoy the Food, enjoy the Wine and enjoy your Beef Tub Experience!
