

CHEFS CREATIONS MENU

"MENU CHANGES EVERY MONTH"

All of our chefs are very involved in the development and creation of our core menu which we change every year.

However, food at the Beef Tub is so much more than just our menu. We wanted to take advantage of the seasonality of products, we wanted our chefs to have the opportunity to vent the creativity that they crave, we wanted to keep our own front of house fresh and impassioned and we wanted our guests to have both a wide and original (if not perhaps sometimes even a little quirky or whacky) choice.

This menu is a direct result of a challenge to our chefs, often enhanced by input from both staff and guests.
